We take pride in our state-of-the-art facilities and eco-friendly practices, minimizing our environmental impact while delivering exceptional results.

At Knight Crescent, we understand the demands of modern life, which is why we offer the added convenience of free pick-up and delivery services. From the comfort of your home, you can trust us to handle your beloved garments with utmost care and expertise. With multiple locations across Qatar and easy online booking options, we strive to make your experience seamless and enjoyable. Entrust your wardrobe to Knight Crescent Laundry and Dry Cleaning Services and discover the difference in clothing care, where excellence meets convenience.

OUR SERVICE

Bag & Shoe Spa —

Discover the pinnacle of care and sophistication with Bag & Sho Spa, our exclusive handbag and shoe restoration service, which is offered as part of our Laundry & Dry Cleaning expertise. We understand that your accessories hold sentimental value and deserve the utmost attention. Our skilled artisan employ meticulous craftsmanship, using top-quality materials to revive and rejuvenate your beloved bags and shoes to their pristine state. From deep cleaning to intricate repairs, every detail is attended to with precision.

Permanent Creasing

At Knight Crescent, we empathize with the frustration of permanent creasing in fabrics. Our dedicated laundry services take extra precautions to prevent such issues. Our skilled team ensures garments are handled with care, utilizing proper folding and storage techniques to avoid lasting wrinkles. With meticulous attention to detail, we employ precise ironing methods to deliver flawlessly pressed and crease-free results. From delicate fabrics to everyday attire, we treat each item with the utmost care, ensuring they leave our facility looking impeccable and refreshed. Experience the difference of expert garment care, where permanent creasing becomes a thing of the past. Trust us with your clothes, and revel in the crisp, pristine appearance we provide.

Wedding gown restoration

we take pride in our exquisite wedding gown restoration services. Our skilled team of professionals understands the sentimental value of a wedding gown and treats each piece with the utmost care. With meticulous attention to detail, we delicately clean, repair, and restore gowns to their former glory, ensuring they remain radiant and pristine for generations to come. Trust us to preserve your cherished memories as we bring new life to your treasured gown, making it ready to shine on future special occasions.

Carpet & Upholstery Cleaning

A person wearing blue protective pants and blue shoe covers is using a professional carpet cleaning machine on a light-colored carpet. The machine has a long silver handle and a black cleaning head. The background shows a living room with a beige sofa and a white door.

We are dedicated to providing top-notch carpet and upholstery cleaning services. With our specialized techniques and state-of-the-art equipment, we transform dull and stained carpets and upholstery into fresh and vibrant pieces. Our skilled team pays attention to every detail, ensuring a thorough and deep clean, removing dirt, allergens, and stains. Trust us to revitalize your living spaces, creating a healthier and more inviting environment for you and your family. Experience the difference of professional carpet and upholstery cleaning with us, and see your carpets and furniture shine like new.

Soft Toy Cleaning —

At Knight Crescent, we go the extra mile to provide exceptional soft toy cleaning services. Our team of experts handles each soft toy with care, ensuring a thorough and gentle cleaning process. With our eco-friendly products and meticulous attention to detail, we remove dirt and bacteria, restoring the softness and charm of your little ones' cherished companions. Trust Knight Crescent to keep your children's soft toys clean, safe, and ready for endless cuddles and playtime. Experience the joy of clean and fresh soft toys with us, creating lasting memories for your little ones to cherish.
